Essay (1 question, 20 points)

Your response should include references to all the relevant primary documents we have discussed in class, as well as both your text book and our class discussions, and provide as a nuanced and comprehensive explanation of the question at hand as you can craft in the time allotted to you. Use the questions in italics to help guide your response to the main question.

- 1) Did the Treaty of Versailles establish a “peace of justice” or one of victory? *Whose goals were met in the document’s final version? Is there a single correct definition of “peace of justice?” How did the treaty balance the events of the war with the post-war order?*
- 2) Describe the relationship between the imperialist era and World War I? *How did the priorities and ideology of the two overlap? What role did imperialism play in the origins of the war? How did the war change the imperial/colonial system?*
